RE: Silver Bred-by-Exhibitor Medallion

Dear KHALID A KARRIEM:

Congratulations! The American Kennel Club is pleased to award you this Special Silver Medallion in recognition of your valuable contribution to the sport of purebred dogs.

We celebrate with you your success as breeder-owner-handler of five different champions of record that achieved their championship title through your participation in the Bred-by Exhibitor class. Your accomplishments as a breeder-exhibitor will be recognized by being listed on the AKC website found at [www.akc.org/](http://www.akc.org/) with others who have achieved this level of accomplishment.

We appreciate your dedication to the American Kennel Club and wish you continued success in your participation in the sport of purebred dogs.

Respectfully,

Robin L. Stansell, Vice President
